

2024 RCORP-Behavioral Health Care Support Cohort Breakout Session

RCORP Reverse Site Visit

March 8, 2024

Mebrat Tekle

Public Health Analyst

Rural Strategic Initiatives Division

Federal Office of Rural Health Policy (FORHP)

Vision: Healthy Communities, Healthy People

Session Agenda

- Welcome
- Evaluation Team
- Overview of HRSA/FORHP/RCORP
- RCORP-BHS Reminders
- Menti poll
- Grantee Panel
- Closing Exercise

Content

- 01 **Overview of Data Process** SLIDE 3
- 02 **PIMS Takeaways** SLIDE 6
- 03 **Common PIMS Questions** SLIDE 9
- 04 **RCORP-Eval Support** SLIDE 14

OVERVIEW OF DATA PROCESS

Processing Grantee PIMS Data

Review Submitted Data,
Update Based on Comments

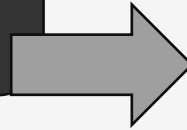

Example: Grantee enters “0” for Number of individuals screened for SUD but indicates in comments they cannot access SUD screening data for this reporting period – Change a 0 to “missing.”

Look for Internal
Inconsistencies, Flag Questions
for Grantees to Review

Example: The total number of individuals served is greater than the reported population of a grantee's service area.

Processing Grantee PIMS Data

Reach out to Grantees to Verify Data and/or Correct It in EHB/Salesforce

Create a Clean Dataset to Analyze Metrics Across Cohorts and Grant Types

Example: Grantees report data is correct or cannot be updated, grantees updated data, or no response.

Example: Analyze data to report on priority indicators for program support and maintenance.

PIMS TAKEAWAYS

September 2023 Data Submission

Substance Use Disorder/Opioid Use Disorder Service Provision and Capacity

In the BHS program (Fall 2022 - Spring 2023), each medication assisted treatment (MAT) provider served an average of 19 individuals.

230,276

individuals received prevention, treatment, or recovery services.

6,372

individuals received MAT.

133,933

individuals were screened for SUD.

332

MAT providers.

Note: Prevention, Treatment, or Recovery services includes screenings for SUD.

Grantee Support Services by Team CVP

Proactive Grantee Outreach

- Maintain open communication channels for grantees' support.
- Ensure easy access to assistance.

Comprehensive TA

- Available through email, individual calls, and virtual office hours.
- Guidance on PIMS data collection and submission.
- Strategies for leveraging data for program sustainability.
- Best practices for data collection in telehealth and mobile health settings.

Comprehensive Technical Assistance

PIMS Data Webinars (upcoming)

Ensures data accuracy and integrity, supporting grantees in improving data practices.

Virtual Open Office Hours

Scheduled expert sessions for guidance and troubleshooting before data submission.

Grantee Emails

Regular updates and clarifications on data-related topics to keep grantees informed.

One-on-One Grantee Virtual Calls

Personalized support addressing specific grantee needs and challenges.

COMMON PIMS QUESTIONS

September 2023 Data Submission

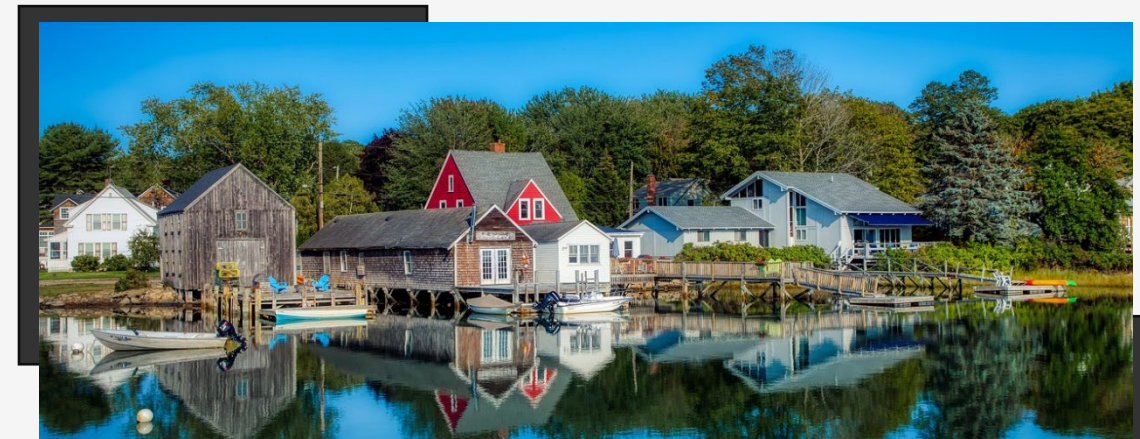

Common Questions

What are PIMS Data?

- Performance Improvement Measurement System data.
- Used for performance tracking and project evaluation within RCORP, guided by HRSA for effective data collection and reporting.
- Essential for assessing grantee progress and outcomes.

Why is it Important To Collect PIMS Data?

- Essential for initiative performance monitoring, effectiveness evaluation, HRSA compliance, strategic planning, and enhancing impact on communities addressing opioid issues.

Common Questions

When is PIMS Data Collected and Submitted?

- Annually in September.

Who Collects and Submits PIMS Data?

- Methods vary by organization, with 39 states participating across different cohorts.
- Designated staff includes data coordinators, data analysts, healthcare providers, and community workers, handle data tasks.

Common Questions

What Variables are Entered in PIMS Data Collection?

Variables depend on cohort group but can include:

- Service area details
- Consortium specifics
- Demographics (ethnicity, race, age, insurance, sex, LGBTQI+)
- Prevalence of overdoses
- Direct services (screenings, diagnoses, MAT, recovery support)
- Workforce information (total providers, SUD/ODU services, and education/training)

RCORP-EVAL SUPPORT

How Can We Help You?

Grantee Support Services by Team CVP

Evaluation Dashboard

- Dynamic features for exploring consortium changes over time.
- View all metrics using PIMS data and additional indicators (e.g., area deprivation indices, overdose death rates).

Technical Assistance Key Topics

Addressing Common Hurdles

- Overcoming challenges in collecting and submitting accurate data to PIMS.
- Ensuring compliance and precision in reporting.

Accessing Data Collection Resources

- Guiding grantees in accessing and using guides and workbooks for data collection.
- Aim to streamline and simplify data management tasks.

Technical Assistance Key Topics

Leveraging PIMS Data for Sustainability

- Strategies for utilizing collected data to support long-term program sustainability.

Data Collection in Telehealth and Mobile Health

- Best practices for collecting high-quality data through telehealth services and mobile health applications.

CONTACT US FOR HELP

RCORP-Eval@cvpcorp.com

Health Resources and Services Administration (HRSA)

Mission: To improve health outcomes and achieve health equity through access to quality services, a skilled health workforce, and innovative, high-value programs

TENS OF MILLIONS of Americans receive quality, affordable health care, and other services through HRSA's **90-PLUS PROGRAMS** and more than **3,000 GRANTEES**

The Federal Office of Rural Health Policy

Established in Section 711 of the Social Security Act

The Federal Office of Rural Health Policy (FORHP) collaborates with rural communities and partners to support community programs and shape policy that will improve health in rural America.

Cross Agency Collaboration

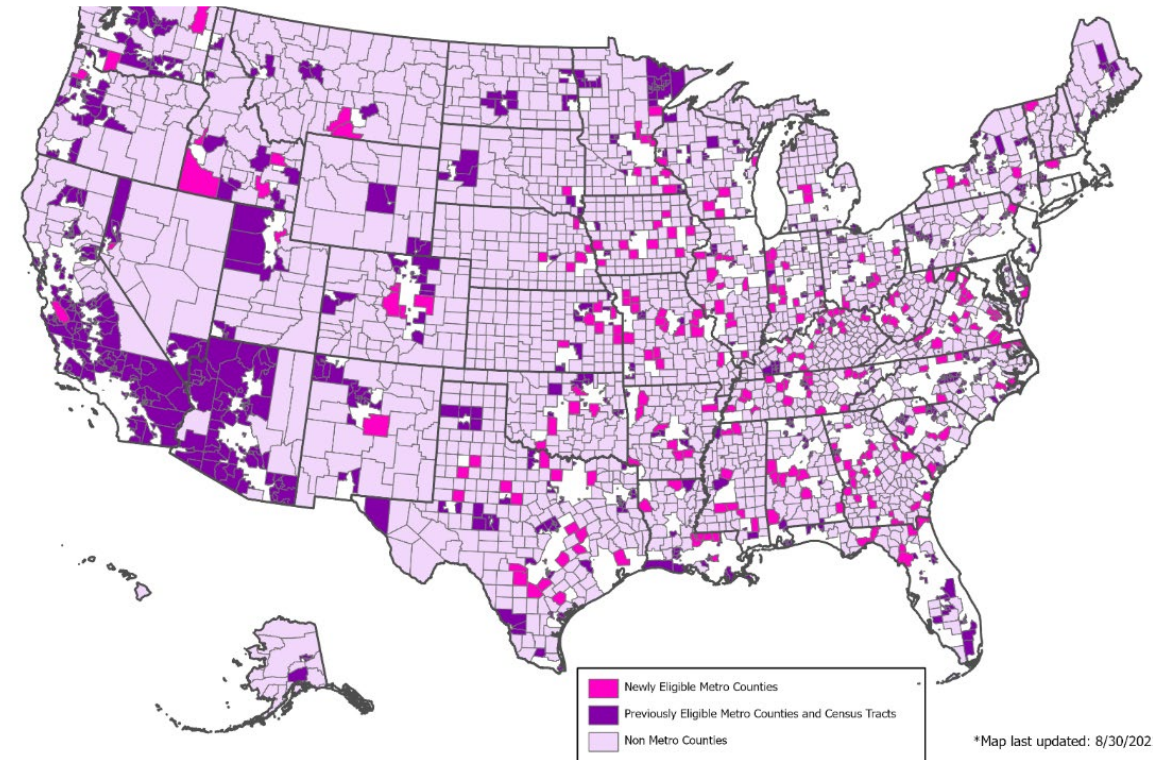

Works across HRSA, HHS, and several other federal partners to accomplish its goals

Capacity Building

Increases access to health care for people in rural communities through grant programs and public partnerships

Voice for Rural

Advises the HHS Secretary on policy and regulation that affect rural areas

Rural Communities Opioid Response Program (RCORP)

- The [Rural Communities Opioid Response Program](#) provides direct funding and technical assistance to rural communities to improve access to behavioral health care services, including SUD/ODU prevention, treatment, and recovery.
- Through the RCORP initiative, more than **4 million individuals** living in more than **1,900 rural counties** across **47 states** and **2 territories** have access to substance use disorder prevention, treatment, and recovery services they would not otherwise have.
- In 2023, RCORP awarded more than **\$80 million** to rural communities in **39 states** to support key strategies to respond to the overdose risk from fentanyl and other opioids.

RCORP-BHS Purpose

To improve access to and quality of Substance Use Disorder (SUD) and other behavioral health care services in rural communities.

Goal 1

Address structural - and systems-level barriers to improve rural residents' access to quality, integrated SUD and other behavioral health care services.

Goal 2

Improve the quality and sustainability of rural behavioral health care services through supporting rural health care providers to offer coordinated, evidence-based, trauma-informed SUD and other behavioral health care services.

Goal 3

Improve the capacity of the behavioral health care system to address rural community risk factors and root causes, including social determinants of health, that affect the behavioral health of rural residents.

Year 2 key dates

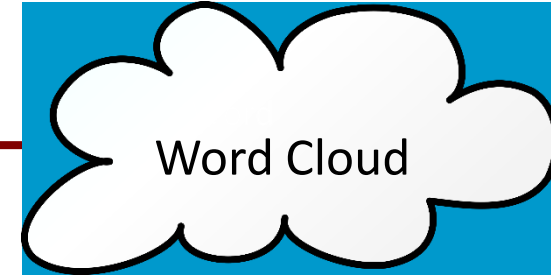

Year 2 Key Dates

Project Period begins	9/1/2023
Re-Welcome Webinar	11/7/2023
Reverse Site Visit	3/6 – 3/8/2024
Year 2 Non-Competing Continuation (NCC) Report guidance sent to all grantees	4/15/2023 (est.)
Year 2 Non-Competing Continuation (NCC) Report due in EHBs	6/2024 (est.)
Performance Integrity Management Systems (PIMS) Reports due	9/30/2024
Year 2 budget period end	8/31/2024

*Year 3-4 key dates will be provided during the period of performance.

Word Cloud Ice Breaker

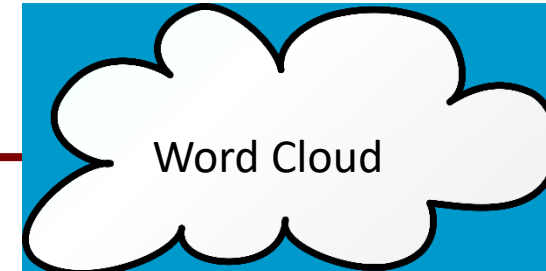

- In one word, describe a ***success*** that your project has experienced.
- In one word, describe a ***challenge*** that your project has experienced.

Grantee DIS Panel

- Migrant Health Center Western Region, Inc.
- University of Utah
- Randolph County Caring Community, Inc.

Closing Exercise
